Baths

Installation Instructions

**Hey qualified tradie!
Be a legend and please
read installation instructions
inside before installation**

If the product is not installed in accordance with these instructions, your ADP warranty may be void and the homeowner may have a claim against you (the installer).

**Hey home owner!
Please keep and read
for important warranty
info inside**

PRIOR TO INSTALLATION CHECKLIST

This product must be installed by a qualified tradesperson and we would expect the installation to be undertaken in a tradesperson like manner and finished to a tradesperson standard. This product carries a full warranty against faulty workmanship and materials.

Please inspect thoroughly before installation to ensure that the product has not been damaged and is correct. No claims for damage or incorrect items will be recognised after installation.

1 Check Products For Any Damages

Within 48 hours of receiving your goods, unpack your ADP product and check for any possible freight damages or incorrect items.

Please contact your place of purchase to report damages or missing parts.

No claims for damages will be recognised after installation.

Please note: waste fittings not supplied.

2 Positioning & Ventilation

Planning your bathroom furniture placement is critical.

Furniture must be at least 300mm away from any wet areas, including baths as water spray may occur.

It is important that your bathroom is adequately ventilated to eliminate moisture and mould build up to protect your bathroom furniture.

Ventilation is important to prevent mould & moisture build up

TOOLS YOUR TRADESPERSON WILL NEED

Tape measure

Spanner

Spirit level

Non-Acidic Silicone

BATH INSTALLATION

1

Assemble the plug and waste according to the manufacturer's instructions. The final decision about installation of waste connection should be advised by a licensed plumber.

Please Note: Plug and waste and plumbing not included.

2

Verify that your subfloor has adequate room for the waste assembly to connect properly to the drainage pipe, and complete any drainage connections before positioning bath in place.

3

Ensure legs are adjusted in line with the base of bath. Ensure you have approximately 3-5mm of space between the bottom of the bath and finished floor surface. This prevents cracking of the bath shell.

Check that bath sits flat; if required adjust legs to compensate for floor level.

4

Once the bath has been levelled, ensure that the nut has been tightened on all feet.

Run a bead of non-acidic silicone all the way around where the bath meets the floor, ensuring there are no gaps.

WARRANTY

PRODUCT	DOMESTIC WARRANTY	COMMERCIAL WARRANTY
Baths	7 years (1 year Parts & Labour)	1 year

Our products come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure upon inspection by an authorised representative where a product is found to be defective in construction, material or assembly. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure, free of charge.

CONDITIONS

1. Items must be installed by a licensed tradesperson.
2. Failure is due to a fault in the manufacture of the product.
3. Proof of purchase is provided.
4. The installation of the product is in accordance with the instructions provided.

Please report any issues with your product within 48 hours of receiving your goods, no claims will be considered after this time. No claims for damages or wrong product will be recognised after installation.

EXCLUSIONS

To the fullest extent permitted by law, the manufacturer excludes all liability for damage or injury to any person, damage to any property and any indirect consequential or other loss or damage. Manufacturer will not be liable for the cost of installation or removal of any unit and the warranty will be VOIDED if damage occurred during or after INSTALLATION or a damaged or incorrect unit has been installed. Door and drawer adjustment; Unsuitable or improper use; Incorrect installation or installation not in accordance with the instructions provided; Installation or part installation by the purchaser or any person other than a LICENSED tradesperson; Normal wear and tear; Inadequate or complete lack of maintenance; chemical, electrochemical or electrical influences; excessive heat damage or Harsh detergents or abrasive cleaners used on product finishes, are NOT considered a warranty issue. **Water damage is not covered under ADP Warranty.** Acrylic, Ceramic and Solid Surface baths have a maximum water temperature of 65°C, Cast Marble has a maximum water temperature of 70°C, water temperatures above this will void warranty.

CLAIM PROCEDURE

For all warranty queries customers are to contact the branch where the product was purchased (these details can be found on your purchase invoice) or go to www.adpaustralia.com.au/warranty-support to submit a claim.

SERVICE CALL OUT FEES & CHARGES

In the event of a call out for issues covered under the ADP manufacturer warranty, no call out fees will apply.

If ADP is called out and the cause of the issue falls within the warranty exclusions or the installation instructions have not been adhered to, the following charges will apply:

Call out fee: \$198.00 initial cost, first 15 minutes included.

Service time onsite: \$24.75 / billed in 15 minute increments.

Call out times: Business hours 9am - 5pm.

Note: Response time will depend on technician availability.
