WHY CHOOSE ADP TAPWARE

Martini Ritz Wall Basin Set Brushed Gold
Universal Plug & Waste Brushed Gold

As a family owned Australian business, we've come a long way since our humble beginnings in 2001. ADP is proud to be in the homes of many Australians, creating functional and timeless bathrooms and laundries.

ADP tapware products are Watermark Certified, WELS registered, and comply with all relevant Australian plumbing standards.

Quality you can trust. ADP Tapware cartridges come with a 15 year warranty, so that you can use your tap with confidence. For a full list of warranties, see page 60.

After many years of designing bathroom furniture, we've used this knowledge and experience to build a tapware collection that pairs perfectly with vanities and basins.

Have questions? Our friendly customer service team are here to help. We have ADP Sales Representatives across the country, meaning that support is only ever a phone call away.

Care & Maintenance

TAPWARE & ACCESSORIES

Where your tapware/accessories remain dry in use, a soft cloth can be used to remove surface dust. Alternatively, a wipe over with warm soapy water is all that is required to maintain the finish in perfect condition for a lifetime of use.

Do not use harsh detergents, abrasive cleaners or citrus based cleaners, as these will damage the surface.

Your tapware & accessories should never be installed using acetone silicones.

Use of wax based furniture cream should be avoided as these can result in a buildup of deposits, which could detract from the appearance.

Do not use undue pressure and wipe in one direction only.

Do not use disinfectant to clean stainless steel parts and components.

Do not use hydrochloric acid (HC) for cleaning. This will lead to pitting and stress corrosion cracking (SCC).

Do not use cleaning products containing chlorides and halides (e.g. Bromine, Iodine and Fluorine).

PLATED TAPWARE & ACCESSORIES

Gold and Rose Gold plated products should always be cleaned with care using a soft dry cloth or a soft cloth with warm soapy water.

Product Information

Pressure Rating	Maximum: 73 psi/500 kpa (AS3500 pressure must be limited to 500 kpa and tapware fitted with flow restrictors limited to 500 kpa) Recommended: 350-500 kpa
Temperature Rating	Maximum: 70°C Minimum: 1°C
Warranty	Cartridge - 15 years Body - 7 year warranty against manufacturing faults and flaking. Ritz finishes - 1 year warranty against faults and flaking. Parts and labour - 2 years Commercial use - 1 year Accessories - 7 years
Pex	All ADP basin and sink mixers include hot and cold PEX core (Cross-Linked Polyethylene) stainless steel hoses. PEX hoses are superior quality, increasing durability as well as flexibility. PEX hoses will not break down or contaminate your drinking water and are resistant to chemicals such as chlorine.
Durable Finishes	Available in a range of durable finishes with increased resistance to scratch marks, abrasions and heat. Please refer to www.adpaustralia.com.au for care and maintenance instructions.
DZR Brass	All ADP tapware is made from certified dezincification resistant (DZR) brass consistent with the industry standards for applications with high water temperatures or chlorides present.
Extended Copper Pipes	All ADP basin mixers come with extended copper pipes. These pipes extend below the base of the mixer allowing for easier installation of PEX hoses and maintenance.

PRICES SHOWN ARE TO BE USED AS A GUIDE ONLY

Please consult with store for confirmation. Delivery fees may apply. Price Guide for the period ending 30th September 2021. GST inclusive.
