1 Draw Your Laundry Layout

Please include all wall measurements, cabinet and benchtop details

Configuration

- Between walls (please include wall-to-wall dimension)
- Against Left hand wall
- Against Right hand wall

Drawing Checklist (include the following on your drawing)

- Where the walls are located. If going between walls include the wall-to-wall dimension
- Ceiling height
- Where the sink, washing machine and dryer are going

Front View

Disclaimer:

I'M NOT SUPPLYING A DRAWING

I will not be providing a sketch of my laundry to ADP. I am aware that ADP take no responsibility for incorrect parts ordered or that the components will work together correctly. I take sole responsibility by ordering the individual parts as advertised.

OR

I AM SUPPLYING A DRAWING

I have provided a sketch with all necessary details. ADP will provide a technical drawing to review all details and measurements. I will sign off for approval, after which manufacturing will commence. (Please note: ADP allows up to two free revisions on designs, every revision thereafter costs \$99 each)
